

**LEADERSHIP BARTHOLOMEW COUNTY
ATTENDANCE POLICY**

- Attendance at all eight LBC class sessions is expected.
- Absences from two of the eight sessions will prevent graduation. (Any combination of unexcused absences in addition to being tardy or leaving early adding up to two will prevent graduation.)
- Missed classes can be made up the following year to attain graduation status.
- Six class days are scheduled from 8:30 am until noon; two are longer sessions. Attendance will be taken at the start and at the end of each class. Tardiness or early departures may also prevent graduation.
- Please review the class times and dates to ensure that you will be able to fully participate in each LBC session. Applicants who expect business, personal, or scheduling conflicts during the eight-month class year are encouraged to delay participation until a more convenient time.
- The \$495 tuition fee is nonrefundable.

By signing this policy you are stating you understand the above criteria for graduation:
